

Reminder: Survey should cover period of 1 YEAR, unless otherwise stated

1.1	*Interviewer							
<b>1. Fishing vessel characteristics</b>								
1.2	*Date of the interview		1.7	Captain Name				
1.3	*Harbour		1.8	Captain age				
1.4	*ID Questionnaire		1.9	*Time as fisher				
1.5	*Vessel name/number		1.10	*Captain contact				
1.6	*Vessel length		1.11	*Confidence level				
<b>2. Gear description</b>								
2.1	*Main gear	<b>Refers to:</b>	*Gear type 1	Gear type 2	Gear type 3	Gear type 4		
				Other gears? (2.28)				
2.2	Mesh size	Gill/trammel nets						
2.3	External mesh size	Trammel nets						
2.4	Internal mesh size	Trammel nets						
2.5	Mesh size (cod-end)	Trawl/towed nets						
2.6	Opening size	Trawl/towed nets						
2.7	*Number of nets	Average pr/day						
2.8	*Total net length	Average total pr/day						
2.9	Net heigh	All net types						
2.10	Net colour	All net types						
2.11	*Net thickness	All net types						
2.12	*Hook size	Longline						
2.13	*Nb of hooks per day	Average pr day						
2.14	*Longline main length	Average total pr day						
2.15	Dist betw branch-lines	Longline						
2.16	Nb of branch lines	Longline						
2.17	*Branch-line length	Longline						
2.18	*Nb of lines per day	Average pr day						
2.19	*Bait type and species	Longline						
2.20	Float (material)	All						
2.21	Ballast (kg)	All						
2.22	*Soak time (hours in water)	All						
2.23	Depth range	All						
2.24	*When is setting/hauling?	All						
2.25	*Frequency	# in last 1 YEAR						
2.26	Fishing period (months)	All						
2.27	*Fishing target species	All						
2.28	Does the vessel use any other gear during the year? If so, do a separated questionnaire.							
<b>3. Other Gear Info</b>								
3.1	Other gear information							
3.2	Number of fishing trips/days per month (average)		0-5	6-10	11-15	16-20	21-25	26-30
3.3	*Duration of a single fishing trip		0-10 hours	10-24 hour	1-2 days	3-5 days	>5 days	
3.4	*Number of fishing trips/days during the year (average)							
3.5	*Month(s) fished							
3.6	In what season do you have the most fishing effort?							
3.7	*Location of fishing effort (code location on map)
