GREETINGS FOLKS!

MY NAME IS PROFESSOR SCOPOLI.
I'M RESPONSIBLE FOR TEACHING YOUNG SHEARWATERS HOW TO SURVIVE AND
THRIVE OUT THERE, IN THEIR NATURAL HABITAT. I'VE NEVER NEEDED TO TEACH
YOUR SPECIES THESE LESSONS BEFORE, SO IT'S TIME TO PUT YOU TO THE TEST!

EACH PLAYER TAKES TURNS TO ROLL THE DICE AND MOVE THEIR MARKER ACROSS THE
PATH ON THE BOARD AS YOU ADVANCE IN YOUR OWN JOURNEY YOU'LL COME ACROSS MANY
CHALLENGES THAT AFFECT YOUNG SEABIRDS BOTH IN POSITIVE AND NEGATIVE WAYS.
IF YOU LAND ON A LARGE BOX, FOLLOW THE INSTRUCTIONS PROVIDED.

AS YOU RACE TO THE FINISH LINE, YOU'LL LEARN MORE ABOUT HOW YOU AFFECT
US SEABIRDS, AND MORE IMPORTANTLY HOW YOU CAN HELP US.
GOOD LUCK! AND MAY THE BEST BIRD WIN!!!
